Sustainable Seafood

Good for you, good for the Gulf of Maine.

By committing to source responsibly harvested seafood from the Gulf of Maine, Sodexo will actively contribute to sustaining both a diverse marine ecosystem and a diverse fishing economy here in the Gulf of Maine region.

Sodexo will source 20% Gulf of Maine Responsibly Harvested whitefish by January 1, 2016 and 100% Gulf of Maine Responsibly Harvested whitefish by January 1, 2020.
